Sacred Harp - Hymn Sing

Those who are interested in gathering together at All Souls' once a month to learn to sing Sacred Harp hymns, please email Fr. Farrell. A modest ability to read music would be required, but Sacred Harp singing is a uniquely American musical expression with the express intent on involving non-experts in the praise God through singing. The a cappella harmonies are less complex than hymns in our own hymnal, which produces a uniquely identifiable sound. Sacred Harp is communal singing, meaning that participants direct their singing to one another and to God, and the four voices generally sit in a square facing each other (a configuration sadly impossible with pews). Many examples of Sacred Harp singing are available on youtube. If there is sufficient interest, we will form a group.

Cursillo is hosting a **Coat drive**. Please drop *gently used* coats, sweaters, sweat shirts/pants, socks, etc. in the box that's in the upper parish house by the piano. All donations will benefit the people around St. Mark's EC, Jackson Heights.
