Summer Blood Drive
Monday, July 23, 2018
2:00 pm-8:00 pm

Help our community by donating the gift of life.

Summer time always brings with it a severe shortage of blood, but your participation can help minimize it's effects.

Your donation can help save lives. Donating blood is one of the simplest, yet most generous ways to help others. It takes less than an hour of your time, but has the potential to add untold hours of life to someone who is ill or injured.

Please plan to come by on July 23; no appointment is necessary, just come to the MCS main room.

We hope to see you there!

Have you heard the latest news?

The Three Village Clergy Association has a new blog!

The Association comprises faith leaders representing many different traditions and congregations, who seek to promote understanding, dialogue and common purposes in our community. The blog spot offers members of the association an opportunity to share reflections with the broader community. The writings represent our individual views, not the positions of the Association, or of our respective congregations. We aim to model dialogue that welcomes a diversity of ideas and perspectives, grounded in friendship and respect.

Psalm 23:1-6

Refrain

- 1 The 'LORD is my ' shepherd; *
I ' shall not ' be in ' want.
- 2 He makes me lie ' down in green ' pastures *
and ' leads me be'side still ' waters.
- 3 He re'vives my ' soul *
and guides me along right ' pathways for his ' Nāme's ' sake.
- 4 Though I walk through the valley of the shadow of death,
I shall ' fear no ' evil; *
for you are with me;
your rod and your ' staff, they ' comfort ' me.
- 5 You spread a table before me in the presence of those who ' trouble ' me;
*
you have anointed my head with oil,
and my ' cup is ' running ' over.
- 6 Surely your goodness and mercy shall follow me
all the ' days of my ' life, *
and I will dwell in the ' house of the ' LORD for ' ever.

Glory to the Father, and ' to the ' Son, *
and ' to the ' Holy ' Spirit:

Advantages of a Columbarium at Caroline Episcopal Church

As we discussed at our Town Hall Meeting a couple of weeks ago, the vestry has voted to move forward with the implementation of a plan to erect a columbarium in our churchyard. Below is additional information on the benefits of having a columbarium; in the coming weeks, we will offer further details on the columbarium campaign as well.

The columbarium provides a place of remembrance for families wanting to maintain a connection with Caroline Church throughout all of life's great events. The church community is there throughout all of life's stages, from celebrating births, baptisms, communions, and marriages, to commemorating a life once lived, and all of those wonderful and challenging days in between. A columbarium provides the congregation with that close connection to one another within a faith community.

The columbarium will be a monument, located in the center of our cremains area, that honors past members of our congregation who have contributed to our church community. It will act as a meaningful feature to the church landscape and represent the historical contribution and legacy of those who helped build our faith community.

According to the Cremation Association of North America, in 2015, over 48.6% of Americans preferred cremation to in-ground burial. By 2020, that number is projected to be over 60%, and by 2030, over 71%. The trend towards cremation is fast becoming the norm. At present, many cremains remain in the homes of loved ones waiting to find that perfect place for interment. Our columbarium may be that place.

The columbarium adds "value" to the landscape that surround the church. The niches can be sold as a revenue builder to maintain the graveyard or church activities. It is environmentally sound, as well as a cost effective alternative to in-ground burials. Christian faiths across the country are now embracing cremation as an accepted ritual.

Cremation is cheaper than in-ground burial. The average cost of a funeral today is about \$8500, including the typical \$2000 or more cost of a casket. Add in a burial vault, and the average jumps to nearly \$12,700. As of January 2013, a cremation, by contrast, typically costs about one third, or less, of those amounts.

For additional information, please call the parish office or Don Muffly.

Camp Caroline Welcomes You!

What is Camp Caroline?

It is a summer church program for kids of all ages.

How Does it Work?

Come to church during the summer and bring your children into church with you. Right before the sermon (about 20 minutes into the service), the Camp Caroline teachers will stand up in the aisle.

All children, pre-kindergarten through fourth grade, will get up and be led out of the church into the Parish House where they will participate in a casual, stimulating, fun, hands on summer church program that follows a particular Bible Study and theme.

At the end of church, you can pick up your children in the Parish House and have some refreshments on the slype.

When is it?

Camp Caroline will run on all Summer Sundays, beginning Sunday, June 17th and ending Sunday, September 2nd.

How can you help?

Please volunteer to assist at Camp Caroline one Sunday this summer. No experience is necessary

We look forward to seeing you and your kids at Camp!

Silence is golden.....

As you enter the Sanctuary, please help us maintain a quiet and respectful atmosphere for those who are preparing themselves for the service through prayer and reflection.

**We ask that this time be one of silence.
Thank you.**
