Graduation Time

God our Father, you see your children growing up in an unsteady and confusing world: Show them that your ways give more life than the ways of the world, and that following you is better than chasing after self-ish goals. Help them to face the challenges of life with your steady hand and use the opportunities that are before them as building blocks for a new journey. Give them strength to hold their faith in you, and to keep alive their joy in your creation; though Jesus Christ our Lord. Amen.

One of the prayers for youth in our Book of Common Prayer also speaks of children “growing up in an unsteady and confusing world” (page 829). The challenges faced by every high school, college, and postgraduate student are enormous.
