

Buildings & Grounds

Adopt a railing?

Why not? We have about nine sets of wrought iron railings around our buildings and their conditions vary from not bad to terrible. We just completed wire brushing, priming and painting the main entrance to the church and it turned out well. A few hours of brushing and priming on day one, painting on day two, and a short time coming back to touch up those “how in the world did I miss that spot” areas.

So if you have a high school student looking for community service hours, your group wants to help out, or your family wants to give back something to the church, here is an ideal one shot that will last many years. All supplies will be provided. We’re using Rustoleum, one of the few oil based paints still out there. So neatness counts and cleaning up your hands is a bit tedious.

If interested in this early summer project, contact Chris Haring.

The Buildings & Grounds Committee met in May to do some planning. The two top priorities this season is move forward with cleaning and making repairs made to broken and toppled tombstones, as well as moving forward with an above ground cremains area. We continue to experiment with ways to clean the tombstones in a way that is effective, without causing long term damage to the various compositions of those markers.

Blood DRIVE

Caroline Church's 10th Annual Scholarship Blood Drive July 20th

Time: 3:00 p.m. - 9:00 p.m.
High School student:
Tim Specht

This year Tim Specht is coordinating the blood drive which takes place on Monday, July 20th, from 3:00pm - 9:00pm.

If this blood drive nets 50 or more pints of blood, Tim will receive a \$500 college scholarship from New York Blood Services.

We really need everyone's help to achieve this goal - please spread the word to family, friends, and co-workers and have them sign up for the drive. Sign-up sheets will be available on Sundays after church and

Tim will be contacting everyone who signed up last year.

In order to get 50 pints of blood you typically need about 100 people signed up!

Thanks in advance for your support!

Church School

May has been a busy month and it will only get busier. We celebrated Mom's with Rogation Day flowers for all the students to take home to Mom. They were wrapped in pretty paper and a ribbon to make the gift more special.

We have our 5th grade class finishing their studies for their Holy Communion. Upcoming Important dates and activities for them went home as a letter for our 6 students making their First Holy Communion:

May 17th - Father Richard gave them a tour of the Sacristy and Church

May 28th - All students attended a Service of Reconciliation

June 5th - Students will be receive an instructed Eucharist with a First Holy Communion day rehearsal, then we will be making Holy Communion bread and finishing the night with pizza.

June 7th - will be the Celebration of First Holy Communion, arrival for students will be 8:45 a.m.

June 14th - Closing of Church School, Teacher and Student Awards Day, Graduate Recognition Day and Coffee Hour Brunch.

VBS- We have all of our past teachers returning and almost all of our past teen helpers/assistants. We are in fairly good shape and have let them know that we will have two meetings in June to review and go over all of the activities and program.

We have continued to work through the process of getting the nursery manned every week on Sunday. We always have someone in the nursery, if not a volunteer it was me. But we can continue to work on this going forward. In discussing this with Fr. Richard, having an adult run the Nursery on Sunday mornings during the Summer would be a good. Attendance has been steady but we now have nice weather and vacations to contend with. We all look forward to the flowers blooming and the nice weather

Respectfully submitted by

Community Bereavement Group to Start June 4th

The Unitarian Universalist Fellowship at Stony Brook (UUFSB) has created a Bereavement Support Program that will consist of eight session support groups. The first Bereavement Support Group will start on Thursday, June 4th at its meetinghouse at 380 Nicolls Road in East Setauket. The Group, which will meet on eight Thursdays in June and July from 7:00-8:30 p.m., will be facilitated by trained clergy and board certified chaplains, led by the Rev. Dr. Linda Anderson. There is no charge and it is open to all, although registration is required.

This group is designed to offer support and comfort to people of all faiths. The death of a loved one is considered to be the greatest stressor in life and it can take months or even years to regain balance. Grieving people can often benefit from sharing their feelings in a safe environment with people who are not necessarily family or close friends.

For further information about the Bereavement Support Group and to register for the group beginning on June 4th, please call 631 751-0297.

Long Island Crisis Center

A service to the community from the Long Island Crisis Center, here are a few hotlines that may be of interest to someone you know.

Middle Earth Hotline (516) 679-1111

Middle Earth Hotline was Long Island Crisis Center's first hotline. In fact, we were first known as *Middle Earth Switchboard*, borrowing from J.R.R. Tolkien's name for a land safe for young people. Like all our hotlines, this service is free, anonymous, confidential and open 24/7. Crisis intervention and suicide prevention counseling are available; counselors also provide information and referrals.

Middle Earth Hotline's Information and Referrals System contains more than 1,000 referrals that have been individually researched and personally visited by our referrals coordinator. This is a tremendous resource that connects Long Islanders in need with available human services.

Runaway Hotline (516) 679-1111

With the second highest missing child rate in New York, Long Island needs services that address the issues of runaway and street-involved youth.

The 24/7 Runaway Hotline provides crisis intervention counseling and emergency housing assistance for runaway, homeless, "throwaway" and maltreated youth.

Runaway youth come from all racial, ethnic and socio-economic backgrounds. Many come from unhealthy home environments. Others feel alienated from their families and find it difficult to talk about important issues. Reaching out and breaking the silence is the first step toward finding a safe alternative.

Children of Hope 1-877-796-HOPE FREE (4673)

Long Island Crisis Center, in partnership with the AMT Children of Hope Foundation, responds 24/7 to calls from pregnant women and those who have just given birth who wish to give up their newborns under the Safe Haven law (New York State, July, 2000). Counselors provide free, anonymous and confidential counseling, information and referrals.

National Hopeline Network/ Suicide Prevention Lifeline 1-800-273-TALK FREE/1-800-SUICIDE FREE

One of the first agencies certified by the *American Association of Suicidology*, Long Island Crisis Center answers these toll-free hotlines 24/7 for Long Island residents. We also serve as back up for national calls to these lifesaving lines. Long Island Crisis Center is also one of a few national agencies to have a **Suicide Outreach Program**. Teams of specially trained counselors place calls to clients who have been assessed as being in danger of harming themselves. Through discrete, confidential conversation these clients receive support and information to help through critical times.

LIRR Suicide Prevention 1-877-582-5586 FREE

Recognized as Nassau County's primary crisis intervention hotline, LICC has joined forces with the Long Island Railroad to provide suicide prevention services on a dedicated telephone hotline that is advertised at LIRR train stations and platforms for callers who are in emotional distress or feeling suicidal. Callers connect with trained counselors who can provide immediate assistance and referral to support services or emergency intervention.
