Celebration Sunday: November 18<sup>th</sup>

followed by our Celebration Dinner at 5:00 p.m.

Where are you standing on the staircase?

Can you move up one step in your giving for the year 2013?

Do you allow God into all aspects of your life, including the choices that you make with your money?

How is the practice of tithing an act of trusting in God?

## CHURCH SCHOOL NEWS

I can't believe we are getting ready to set back the clocks. How fast the year went by.

We have a few things going on for the month of November and December. I will be sending home flyers with each child to remind each family of these events but here is what's coming up:

**November 4th**, Caroline Remembrance Day, 2:00pm-4:00pm. Join us for the afternoon and help Lainey put a flower on each grave in the church yard. A presentation will follow in the MCS building.

**November 4th**, Operation Christmas Boxes are due back to the church. Please make sure to enclose the \$7 for postage. If you need a shoe box, let me know, I have extra boxes.

**November 11th**, Pie orders are due. Pick up for the pies will be on November 18th after all the services. All proceeds will go to the youth for upcoming events.

**November 23rd**, Friday Santa will be here! From 3:30pm - 5:30pm we will have cupcakes, cookies, and hot chocolate with Santa. Please bring your cameras to take some pictures. We will also have a craft for the children to do. There is no cost to come. Please bring NEW hats, mittens, scarves, or gloves for families in need. Please let me know if you will be attending.

**December 2nd**, During church school, each child or children in a family will make an Advent Wreath to bring home.

**December 23rd**, Christmas Pageant. This year we are doing something different. Each class will take part in the pageant. I am looking for 2 children to be the readers. No memorizing will have to be done. The Pre K and Kindergarten class will be our angels. The 1st and 2nd grade will be the animals. The 3rd and 4th grades will be the shepherds and 1 drummer boy. The 5th grade will be the Wisemen and inn keeper. I also need a Mary and Joseph. There will be a rehearsal on December 2, 9, and 16. The rehearsal will be just to hand out the costumes and let everyone know where they will be standing. A very easy pageant.

Once again this year we will be having a contest for the best drawing for the pageant cover and for the Christmas Eve bulletin cover. The children may do the drawing at home or during church school. Drawings need to be handed back to me by December 9th. The theme for the Christmas Pageant is an "A Traditionally Untraditional Christmas Pageant" Please let me know if your child or children will not be able to take part in the pageant. We will be having a Birthday Cake to celebrate Jesus' Birthday after the pageant.

## Upcoming CYC-Youth

January 5th: We will be going into Manhattan for the day. Our group will be doing a Scavenger Hunt at the Museum of Natural History. We will have a bus to take us in, we will leave by 8:00 am Saturday morning. We will do the hunt, than have lunch and than walk around and see some sights. The tree and all the decoration will still be up. We will also go to St Barts for an evening service. We should return by 8:00 pm. The cost for the day will be \$45 each. That includes the scavenger hunt, admission to the museum, lunch and transportation. I need a few adults to come with us. Please let me know ASAP. The hunt gets sold out very quickly.

Mission Trip: We are looking at a Mission Trip for July 2013. The dates are July 21 through July 27 or July 28 through August 3. We will be going to Blue Knob, PA. The trip will be team building and working on a project of painting, home repair, roofing and building wheelchair ramps. The cost will be \$289 at the most. I need to know ASAP so we can get a spot. Housing is at a resort condominium in the Appalachian Mountains. I can't wait to go. It is going to be a lot of fun. We will be having some fundraisers to off set the cost of the trip. I have information about the trip or you can go online to Team effort and look up Blue Knob.

**Trip to**  
**Paul Winter's 33rd Annual Winter Solstice Celebration**

Winter solstice is the shortest day and the longest night of the year. Traditionally, it is a time of both foreboding and expectancy, as the longest night leads to the revival of the sun. And yet it is a turning point, when the sun reaches its southernmost point from the equator and seems to pause before reversing course. "Solstice" in Latin means "the sun standing still." In ancient times, observers watched the sun sink lower in the sky each day, and feared it would disappear completely and leave them in darkness.

People practiced special rituals intended to entice the sun's return. Bonfires and candles, with their imitative magic, helped fortify the waning sun and ward off the spirits of darkness. These symbols live on in our modern seasonal customs: the candles of Hanukkah and Christmas are kin to the fiery rites of old, which celebrated the miracle of the earth's renewal.

These traditions reflect our need to come together in times of extended darkness. We celebrate not only the rebirth of the sun, but the community of life on earth.

This year is the 50th anniversary of my first professional band, The Paul Winter Sextet, which emerged in Chicago during my years at Northwestern University, and went on to have some remarkable adventures in the two years of the band's existence. Immersed this summer in our original recordings, I've realized the extent to which the Sextet has been the father of our Consort, and how our Solstice celebrations, over these past three decades, really evolved from the multi-cultural experiences of the Sextet in our grand six-month tour of Latin America in 1962, hearing traditional music in 23 countries.

So I've been excited about the idea of "a meeting of the bands," and having our reunited Sextet be special guests of the Consort during this year's Winter Solstice Celebration. The Sextet will offer a suite of pieces from our original repertoire, and also join with the Consort in new music for the ensembles together. We hope you'll join us for this adventure. *For living music, Paul Winter*

## Prayer Shawl Ministry

Our prayer shawl ministry continues to serve the people of our community. We have a devoted group of women who gather regularly on the third Saturday of each month at 8:30am in different people's homes.

Our group is ecumenical and expanding all the time. We represent many different churches and encourage anyone who is interested, to attend and bring a friend. You do not have to be experienced to come. We are willing to teach you!

We open with prayer, discuss patterns and colors, teach others, pray for others, and listen to a short meditation. During a time of silence we focus on God, our knitting, and the clicking of our needles.

We have given away over 125 shawls. The shawls and lap robes have been warmly and graciously received. We trust that the shawls we have created send a message of God's love and compassion to all who receive them.

Our next gathering will be on November 17th at 8:30am. We look forward to having new members.

## Parish Ministries Opportunities

**Additional Ushers, Greeters, and Visitor Welcomers** are needed to serve at all three services at Caroline. This ministry is open to all men and women on a rotating schedule. Ushers, Greeters and Welcomers are often the first persons newcomers meet and connect with at Caroline. Please prayerfully consider one or more of these ministries for your own spiritual nurturing and the life of the parish. Please speak with our Director of Ushers, Gary Mis or Hospitality Chair, Irene Ruddock, or call the parish office for further information and to help out.

Our **Annual Christmas Fair** will be held next month, Saturday December 1, so it is not too early to offer your help in all areas. Wreaths, handmade crafts, baskets, raffles and food sales are all places where a few hours of your time given to the parish will be greatly appreciated. Call Pat Harding (981-9853) or the parish office to say they can count on you.

**CYC Youth Group &  
Parish  
Community Outreach

Please place small toys and other gifts in a shoebox and label it for a boy or a girl and don't forget to include your check made *payable to 'Operation Christmas Child'* in the amount of \$7.00.

Filled boxes can be dropped off during the week in the Church School office, Main office, or brought in on Sunday mornings to the Marco C. Smith building. All boxes must be in by **November 4th**, for National Collection Day. If you have any questions please contact Lindsay Porter. Thank You.

## **Rite of Passage in the Interfaith World**

The Three Village Clergy Association is once again sponsoring a community wide educational event centering around various rites of passage within our faith traditions. This fall we are focusing on The After Life. What do our various interfaith communities believe happens to us when we die? There are many similarities but some very specific differences in how Christians, Jews and Muslims understand our life after death.

The third of the gatherings, The After Life in the Muslim Tradition, will be held on Sunday November 4 at the Islamic Association of Long Island 10 Park Hill Dr in Selden from 3:00 – 5:00 p.m. This will be led by Dr. Ismail Zahed and Muslim clergy. All are invited to attend each of these special presentations on The After Life.

### **Parish Family News**

Don and Lindsay Porter are expecting a "little stranger" this April! Please keep them in your prayers for continued health throughout the next months.

Congrats to the excited parents to be!

\* \* \* \* \*

*Please send the detail of things you would like others to be aware of to the parish office by calling 941-4245 or email it to [office@carolinechurch.net](mailto:office@carolinechurch.net). Both your happy news and news of other life changes such as a loss of a close family member will be shared through this column when you let us know to do so. As a Christian family, we will be closer if we can share our life joys and struggles with one another.*

## 'Twas the night of Thanksgiving, but I just couldn't sleep.

I tried counting backwards, I tried counting sheep.

The left-overs beckoned - the dark meat and white,  
But I fought the temptation with all of my might.

Tossing and turning with anticipation,  
The thought of a snack became an infatuation.

So, I raced to the kitchen, flung open the door,  
And gazed at the fridge, full of goodies galore.

I gobbled up turkey and buttered potatoes,  
Pickles and carrots, beans and tomatoes.

I felt myself swelling, so plump and so round,  
'til all of a sudden, I rose off the ground.

I crashed thru the ceiling, floating into the sky,  
With a mouthful of pudding and a handful of pie.

But, I managed to yell as I soared past the trees,  
Happy eating to all - pass the cranberries, please.

May your stuffing be tasty, may your turkey be plump,  
May your potatoes 'n gravy have nary a lump.

May your yams be delicious,  
may your pies take the prize,

May your Thanksgiving dinner stay off of your thighs.

**Let us remember to give God Thanks  
For everything He has given us!  
And let's not forget those  
who have no food.**

## Buildings & Grounds

The leaves are falling in earnest as I write this on a rainy Friday morning. Soon we will be pulling out mums and planting bulbs that will emerge next spring. Take that walk around the grounds while the grass is still green and there is color left on the trees.

We have grubs. Ugg. A small problem was treated about a month ago, but the issue mushroomed in mid-October. The raccoons were "helpful" by pointing out the problem, but very unhelpful in that they are tearing up the grass to feast on the grubs. Treatments have been applied which will kill the grubs, but damage has been done to the grass by the grubs eating the roots. We are monitoring the problem but certainly some areas of grass will need to be reseeded.

Some recent accomplishments include painting the slype. Thanks to Bob Clancey, Bill Harvey and Mike Massie for the assist. It looks great, but contrasts the church and Parish House, which really need to be done next year. Hinges on the sanctuary cabinets have been replaced to prevent them from opening on their own. Some touch up painting has been done around the MCS Building along with some repairs to the baseboard radiators. As of this writing we have secured the wood needed to replace some facing boards behind gutters on the slype that have rotted out, allowing some water seepage up there. We also now have some secure storage for plumbing, electrical and janitorial supplies in the MCS basement.

On the wish list: tools and a wardrobe closet. If you have tools to donate please let me know. With more work being done "in house," having volunteers bring in the needed tools can be burdensome, especially when that one important tool is forgotten. It also slows things down to have to bring something home to cut, screw or otherwise fix with the shop tool not available on site. Both hand tools and power tools in good working order will be gratefully accepted. This includes such luxuries as a table saw, band saw and drill press. Second, a wood wardrobe closet in good condition (or good enough to refinish) is needed to store the electric piano in the main room of the Parish House. The room looks great with ever-changing displays put up by the Historical Committee, but that metal cabinet just doesn't fit in. We can use it to store tools in the MCS basement if we replace it with a piece of furniture that fits the Parish House décor.

Churchyard, Village Green and Building Committee

# FARM BILL UPDATE

October 2012

As you may know, both the House Agricultural Committee and the Senate passed different versions of the Farm Bill over the summer, leaving for recess without a final 2012 Farm Bill reauthorized.

**Senate:** On June 21, the Senate passed its version of the Farm Bill that will fund our nation's agricultural and nutrition programs over the next five years. Despite Senator Gillibrand's attempt to maintain and even strengthen our nation's first line of defense against hunger, the final version of the Senate Farm Bill did contain \$4.5 billion in cuts to SNAP (Supplemental Nutrition Assistance Program). According to the Congressional Budget Office (CBO), these cuts will result in an estimated 500,000 households a year losing \$90 per month in SNAP benefits. We applaud the Senate for rejecting additional threats in the bill that would have damaged the structure of the program, leaving poorer and hungrier the millions of Americans who rely on SNAP for their basic food needs.

**House Agriculture Committee:** In July 2012 the House Agricultural Committee passed a Farm Bill that cuts SNAP by over \$16 billion. These cuts would be devastating for our most vulnerable neighbors:

- 500,000 households would see their benefits cut by an average \$90 per month;
- 2 to 3 million individuals would lose their food assistance entirely;
- Nearly 300,000 kids would lose free school meals.

## What Next?

The House and Senate will need to reconcile the differences between the two bills before the Farm Bill can move forward. Congress is set to return from recess November 13 at which point more details will become available. But you can act now!

## No Farm Bill?

Although the 2008 Farm Bill expired September 30th most anti-hunger programs authorized in the bill will continue because annual appropriations bills can allow a program to continue even if the underlying authorization has not been extended. The Continuing Resolution (CR) passed by Congress last month to fund the federal government through March 27, 2013 included appropriations that allowed most Farm Bill nutrition programs to continue operating.

## What Can You Do?

As Congress works to write a new Farm Bill and bring our fiscal house in order, we must remind them that cutting programs that put food on the table for hungry Americans is not the right way to balance the budget. Urge Congress to protect and strengthen anti-hunger programs. Make your voice heard today!

Please Protect Hunger Relief Programs in the Farm Bill

Dear [Decision Maker],

As Congress considers how to proceed on the 2012 Farm Bill, I urge you to oppose cutting the Supplemental Nutrition Assistance Program (SNAP) and other hunger-relief programs. I understand the need to balance the budget, but we must do it in a way that reflects our values as a nation. Asking hungry families to bear the burden of reducing the deficit does not reflect those values.

I support my local food bank, and I know they are struggling to meet the needs of our community. Food donations are drying up, gas and food prices remain high, and nearly 50 million Americans are living in food insecurity. Cuts to SNAP will be devastating. While food banks, churches, and pantries are doing great work in our community, charity alone cannot meet the need for food assistance.

You have an opportunity to make a real difference in the lives of hungry Americans. As Congress considers how to write a new Farm Bill and reduce our national debt, Congress must protect and strengthen hunger-relief programs like the Emergency Food Assistance Program (TEFAP) and the Supplemental Nutrition Assistance Program (SNAP). With unemployment still high and many Americans struggling to make ends meet, Congress cannot cut the programs that are helping many of our neighbors put food on the table. Given the associated healthcare, educational, and economic costs of hunger and poor nutrition, cuts to these programs are not only immoral, they are short-sighted and costly in the long run.

As your constituent, I ask that you remember the families who are struggling in our state and remain committed to protecting programs that are a lifeline for hungry Americans. Please pass a strong Farm Bill that that protects and invests in TEFAP and SNAP.

Sincerely,

[Your Name] [Your Address] [City, State ZIP]

**NOMINATIONS SOUGHT FOR THE 2013 VESTRY
