

## Welcome New Church Ministers

### **Susan Shecter:** Nursery Care

I am a resident of Stony Brook for the last 21 years. I have one daughter who cheers for Stony Brook University. After 17 years in the banking industry made a change and has been a Teaching Assistant for 10 years with 3 Village Central School District.

### **Sammy Angstman:** Organist

Sammy is currently working towards her Doctorate of Musical Arts in Piano Performance at Stony Brook University, where she received her Master of Music in Piano Performance last May. She received her B.M. in Piano Performance from New England Conservatory in 2013.

Sammy is a recipient of Stony Brook's Staller Scholar Award, and studies with Christina Dahl and Gilbert Kalish. She is active as an accompanist and chamber musician, performing in the school's Baroque Ensemble, in a piano-woodwind quintet coached by Pedro Diaz, Ann Ellsworth, Frank Morelli, and Christina Dahl, and accompanying multiple graduate student recitals and juries per year. In addition to her performance studies at Stony Brook, Sammy has been working for the school as a Teaching Assistant in a variety of roles: she currently teaches a keyboard skills class, has taught private lessons to undergraduates, served as an accompanist, and was the Coordinator for the music department's annual Piano Project in 2014 and 2015. Sammy is also an active teacher outside of Stony Brook, teaching at Great Neck Music Conservatory and maintaining a private studio in the Stony Brook area.

### **Janani Sridhar:** Joyful Noise Choir Director

Janani made headlines as the first ever Singaporean to win the first prize in the Vocal, Under 16 Category at the 58th Llangollen International Musical Eisteddfod. The competition, commonly billed as "The Musical Olympics" is held in Wales and had her competing against over 6,000 other global competitors. The jury described Janani as "a gifted singer who has a marvelous future in singing."

Born in Singapore, Soprano Janani Sridhar is no stranger to the performing arts in her home country. She has performed several times with the Singapore Lyric Opera and had the honor of singing the national anthem, "Majulah Singapura" at the internationally broadcast, inaugural Formula One Grand Prix night

race which was held in Singapore in 2008.

Janani has many other accomplishments and is currently pursuing a doctorate at Stony Brook University. Feel free to check out her website for more information at: [www.JananiSridhar.com](http://www.JananiSridhar.com)

### **Brotherhood of Saint Andrew**

Welcome back from Summer break. The Brotherhood kicked off this year with our first meeting on Sept 12th. We discussed and planned our October / November activities. Please keep these dates on your calendar.

October 24th - Barn / Rummage and CYC pumpkin Sale  
November 14 - 8am Eucharist followed by Video series continuation and elections.

Blessings  
Mark

## CYC

Our year is off to a great start. We had twelve youth join us for our first meeting of the year, which involved shaving cream beards, ping pong, and discussing the current moral questions surrounding the refugee

crisis in light of Jesus' command to welcome the little children! Par for the course.

We will continue to hold weekly meetings in the Cave from 4-6:00pm each Sunday, except for first Sundays of the month, when we will go out to brunch at Fratelli's following the 9:30 service. All youth in grades 6-12 and their friends are welcome to join at any time. For more information, just show up! Or email Lindsay at:

[lindsay.baldwin.porter@gmail.com](mailto:lindsay.baldwin.porter@gmail.com)

On October 24th we will hold our annual Pumpkin Sale in partnership with the Brotherhood, during the Barn Sale. Please make us your jack-o'-lantern destination and support youth missions!

Also, please speak to Lindsay if you're interested in serving as an adult sponsor of the youth group. Diocesan regulations require that two adults be present for meetings, but Lindsay does the curriculum and activity prep. Adult sponsors serve on a rotating basis, usually monthly. If you have a heart for youth and are not a current parent of a youth group member, please consider helping out!

### Young Parishioners (20s/30s):

We will meet at the Country Corner for trivia on Tuesday, October 20th at 8:00. All parishioners generally in their 20s, 30s, or even 40s (gasp!) are most welcome to join us. So we can plan teams and save seats, please RSVP to Lindsay at: [lindsay.baldwin.porter@gmail.com](mailto:lindsay.baldwin.porter@gmail.com)

## Blessing of the Animals

To all Caroline Church pets, be sure you communicate to your caring owners that you want to come to Caroline Church for your yearly blessing. You know how much they enjoy worshipping God in a faith affirming community, so don't be shy about asking the Lord to bless you as an important part of the family. The Blessing of the Animals will take place on Saturday, October 3<sup>rd</sup> at 10:00 a.m. at the Carriage Shed in the Church Parking lot. This unique service in celebration of St. Francis of Assisi's love for all of God's creation has always been a special time for all members of our parish family, even those that wag their tails or chirp. We will also take an informal vote on the most exotic pet presented for a blessing.

## Stewardship is .....

Everything we think, say and do after we say "I believe".

The stewardship committee would like thank all those parishioners who participated in the stewardship activities over the last few months. Not only did we grow vegetables, share food, collect bottles but we also raised awareness to the need to actively work towards conserving, protecting and caring for the earth.

This month we begin to shift our stewardship focus from God's creation to the sharing our financial resources. The stewardship committee consisting of: Cn. Richard, Ginny Apmann, Don and Chris Muffly, Claire and Gary Mis, Eileen Davenport, Lorraine Massie and myself feel blessed to have the opportunity to prayerfully remind the congregation that our giving is a spiritual practice. It grows out of our relationship with God and a desire to share in God's mission of love.

We invite all parishioners to join us on a stewardship journey beginning Sunday November 1<sup>st</sup> and concluding on Sunday November 22<sup>nd</sup>. More details will follow in the mail.

Sincerely,  
Maureen Reyes

### Dates to remember:

Nov. 1<sup>st</sup> @ 5:00 Spaghetti Dinner – Kickoff celebration at the Marco Smith Building.

Nov. 22<sup>nd</sup> @ 5:00 Celebration Dinner – location to be determined.

## Service Saturdays at Camp DeWolfe

Another season of summer camp has just come to a close out at Camp DeWolfe! To ensure that the camp is spruced up and ready for programs throughout the coming program year, friends of the camp throughout the diocese are invited to help with service projects during a series of Saturdays in the fall. Each day provides an opportunity to participate in the stewardship of the camp grounds, engage in community, and enjoy a day out east in the natural setting on the Long Island Sound! Our final clean up day is:

October 3rd.  
9:00 am to 3:00 pm

Visit [www.campdewolfe.org](http://www.campdewolfe.org) for more info.

## Buildings & Grounds

It's the first day of fall as this article is written and, while the temperatures are not dropping that fast, the days are certainly shortening. Many of our summer projects are complete, with just a single fire sprinkler improvement project to be scheduled. Outside the damage from the freak August thunderstorm is nearing full cleanup. By the time you read this the damaged fence sections should be replaced and our tree service done with the removal of downed and (more importantly for safety) hanging limbs. Many do not realize the extent of that damage to the church grounds, as most of the tree damage was on the west side of Bates Road.

But fortunately the buildings were spared, and are looking pretty spiffy. With the Montessori school underway in the MCS Building, several groups have made the transition to holding their meetings in the Parish House. Improvements made in that building and the library over the past years have made three separate areas attractive places to gather for meetings. The choir robing area is no longer dark and dingy, and access to the lower level is now available for all. Please remember that the stair lifts are for those who need them. Easy access is important and we are thankful that people old have respected the purpose of the lifts. We are hoping **not** to have to lock them up and establish a "system" for handicapped persons to use them. So far, so good.

Outside, some summer plantings are beginning to fade. The grubs have returned, much to the delight of deer and raccoons who are digging up the grass. Grub treatment has been applied. We will do some fall decorations that should carry us through into November. Mums and other plantings are coming. We are also planning to divide some perennials that are beginning to overwhelm areas such as Fr. Jim's Garden.

Upcoming events include the Bishop's visit on October 18 and a busy following weekend. Friday October 23 will start the ECW's annual Rummage Sale. That sale will continue on Saturday, in conjunction with the annual Barn Sale (Brotherhood of St. Andrew) and third annual Pumpkin Sale (Youth Group and Brotherhood). Please mark your calendars for this important triple-header weekend. The Barn is available for donation drop offs, and pickup help for larger items is available. Please call the office to schedule. Help will be needed setting up for the Rummage Sale on Thursday, as well as help early Saturday for the other events. Your patronage and fellowship are appreciated.

Chris Haring, Chair  
Buildings and Grounds

Hear Ye.  
Hear Ye.

**Come one,  
come all.**

Your Historic and Cultural Artifacts Commission is staging an Exhibit entitled "Caroline Church in the 1700's", opening in the history center on October 11<sup>th</sup> starting after the 8:00 A.M. service.

Come to the opening to view reproductions of early 1700's documents signed by the vestry; to learn of the evolution of the Anglican church in America; to read about those early rectors both notorious and pious; to see a whimsical interpretation of the times sketched by the artist John Rhein and to appreciate the impact of the American revolution on prominent congregants.

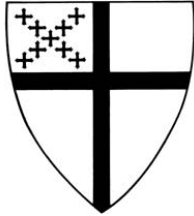

During hours when the parish house is not open viewing is scheduled by appointment. The exhibit will run until early 2016.

Refreshments will be served.

### Annual Acolyte Recognition Day

All acolytes are asked to attend this year's Annual Acolyte Recognition Day in November. All acolytes will renew their commitment to this vital ministry of service at the altar of Caroline Church. There will also be a special brunch and an annual meeting held directly after the service in the Marco Smith building. You will have an opportunity to ask about the requirements to become a Master Acolyte. All acolytes should pray that Our Lord will inspire other teens to join our Acolytes Corp. Your Acolyte Director Mr. Duy Nguyen, and I are looking forward to this special day in your honor. *RDV*

## The Refugee Crisis

Presiding Bishop Katharine Jefferts Schori has issued this statement on the current worldwide refugee crisis:

The children of Abraham have ever been reminded to care for the widow and orphan and the sojourner in their midst, who were the refugees and homeless of the time. Jesus charged his followers to care for the least of these and proclaim the near presence of the Reign of God – in other words, feed the hungry, water the thirsty, house the homeless, heal the sick, and liberate the captives. We cannot ignore the massive human suffering in Europe, Africa, and the Middle East, nor in Asia and the Americas. We are our brothers' and sisters' keepers, and our lives are bound up with theirs. The churchwide ministry of Episcopalians has included refugee resettlement since the refugee crisis of World War II. It continues today through the leadership of Episcopal Migration Ministries, and I urge your involvement, action, and support. Read about their work and share these opportunities with friends and co-workers. You will discover anew the power of good news in the face of the world's tragedies.

### All Souls' Events

**The Race is On!** October 4th. Our 7th Annual SOLES for All Souls' Sponsorship Drive has begun. Runners and walkers can now sign up online with a professional race service at [www.active.com](http://www.active.com), which will bring in a lot more participants. Contact Sue Kerr at 689-7832 or [sbkerrs@aol.com](mailto:sbkerrs@aol.com).

**The Second Saturday morning poetry series** will be returning to All Souls' Church on, October 10th from 11:00am to 1:00pm. Please bring a can of food to donate if you want to help feed the poor in our area. "Lend a hand. Bring a can."

## Montessori School Comes to Caroline Church

Little Bay Montessori is a school born out of a need to provide an authentic Montessori program for children here on Long Island. The school offers multi-aged groupings which is an essential feature of the Montessori Method. The Casa dei Bambini program includes children from ages 3, 4, and 5. Half day program is from 8:30 am until 11:30 am. Full day program is from 8:30 am until 2:30 pm. A qualified AMI trained directress is employed to teach your child.

The classrooms are clean, bright and cheerful and are equipped with approved AMI Montessori materials only. The school adheres by the principles and objectives set by the Association Montessori Internationale. The Montessori curriculum offered at this school meets if not exceeds the New York State Department of Education for private school education.

At Little Bay Montessori School, your child will have the opportunity to learn by doing for himself/herself in a prepared environment. Your child will have the freedom to fully develop himself/herself. The directress will have the patience at every step of his/her way and will be there with enthusiasm and gladness at his/her success. With beautifully crafted learning materials, your child will learn at his own pace and grow in independence, self-esteem, respect for others and their work, creativity, and love for learning and good study habits.

### Catechesis of the Good Shepherd:

This elective is taught by a certified catechist. This is religious instruction based on the Catholic/Episcopalian Faith. It is a program designed to provide children basic truths about their relationship with God. The curriculum was developed by Sofia Cavaletti and Gianna Gobbi and both women worked closely with Maria Montessori. Like a Montessori classroom, the Atrium (the classroom for the catechesis) is equipped with materials the child can work with. All catechists in the school were trained under the auspices of The Archdiocese of New York and the National Association of The Catechesis of the Good Shepherd.

Music: This elective is taught by a certified Suzuki Music teacher. The Suzuki Violin Method is a method of teaching music founded by Shinichi Suzuki with the central belief that children are capable of learning from their environment including Music Education. He believed that children need to be in "right environment" which will let children learn how to play an instrument, read notes, learn tempo, rhythm and eventually compose music. Most importantly, it fosters discipline, concentration and a love for music in your child. The Suzuki Violin Method is a great compliment to your child's Montessori Education!

Foreign Language: Conversational Italian is part of the regular curriculum.
